TICKET SALES BOOM: 200,000 EXPECTED AT FUN FAIR

NEW SERVICE CENTER NEARS COMPLETION

On June 1, the Service Center will move to the 9th Floor of 300 West Adams St. Alden G. Barber, Scout Executive, and Scout Ronald Hull are shown here reviewing the floor plans for the Trading Post which will be located on the same floor.

MERCHANTS PLAN LUNCH-O-REE

The retail merchants of Chicago have planned a \$25.00 a plate luncheon in support of the 1964 Finance Drive of the Chicago Area Council at the Pick-Congress Hotel on May 21. Wallace O. Ollman, Manager of the Merchandise Mart and General Chairman of the event, indicated that some 300 merchants are expected to attend the affair.

AN INVITATION TO ADVENTURE

Thousands of unit leaders across America, at the request of the National Council, are joining in a nationwide "Invitation to Adventure" program designed to supplement every Scout unit's spring program. One of the highlights of the program is an organized effort to invite inactive Scouts as well as non-Scouts to join in the spring activities. If you haven't already received your American Heritage packet, you will in the next few days. Be sure to read it and share the program with your Scouts.

SUMMER ACTIVITIES

The really successful packs, troops and Explorer units are developing plans right now for those good old summer months. Unit leaders know, from experience, that it is far better to carry on operations during the summer than to close shop and try to revive interest in the fall. The summer program should be a decelerated one, taking advantage of the good weather and planning outings.

MAY 8, 9, 10 FUN FAIR TO BE BIGGEST

"Ticket sales in all 25 districts," according to Rembrandt C. Hiller, Jr., "are off to a roaring start. More than 50 Scouts have already picked up their TV sets for selling 150 tickets. Each of the boys, in addition to winning the TV set, has won an accumulation of some 14 other prizes ranging from a neckerchief slide to an official tent."

OPERATION 100 SET

As a result of a recent meeting, Robert W. Reneker (center), President of the Chicago Area Council, announced that Operation 100, a program designed to organize 100 special interest Explorer units this year is under way.

The program headed by General Edmund C. R. Lasher (right) has received not only the endorsement but the support of many of Chicago's leading educators, industrialists and clergymen such as Dr. Preston Bradley, shown above discussing the plan with Reneker and Lasher. A meeting to kick off the program is scheduled for May 15 at 4:00 p.m. in the Auditorium at 77 So. Wacker Dr.

CAREERS AVAILABLE AS EXECUTIVES IN SCOUTING

Serving every Boy Scout council in the United States is a small group of dedicated men who comprise the professional staff. While each professional Scouter works for a specific council, he is certified by the National Council's Personnel Division.

Young men who are interested should contact the Scout Service Center for additional information. The following are minimum standards set by the National Council:

1. Age — 21 to 35
2. College degree or equivalent
3. Some experience as a Scout-leader or a Scout
4. A background of community service
5. Good physical condition
6. A desire to work with adults on behalf of boys.

Units to Set Up Thursday and Friday. According to John O. Wilson, Chairman of the Fun Fair, "Units may start to set up their booths at 9:00 a.m. on Thursday morning. The Amphitheatre will be open from 9:00 a.m. to 10:00 p.m. on Thursday and again at 9:00 a.m. on Friday. All units should enter from the west side of the Amphitheatre where the large doors near their district areas will be open. "All units," he continued, "should have their booths ready and properly manned for each performance. Fun Fair hours are:

Friday	7 p.m. - 10 p.m.
Saturday	2 p.m. - 10 p.m.
Sunday	2 p.m. - 7 p.m.

At least two boys should man the booth at all times."

Make Returns Early

May 10 is the deadline for a 25% commission. Units desiring to make ticket sale reports at the Amphitheatre may do so at their district headquarters where they will be issued certificates which may be redeemed for prizes at the Council's Amphitheatre office.

WOMEN'S RESERVE ELECTS OFFICERS

The Council's Women's Reserve has announced that as a result of a recent election the following women have been elected to serve as officers for the program year of 1964-65:

Mrs. Dorothy Kirstein, President; Mrs. Alberteen Lillard, Vice President; Mrs. Martha Koziel, Vice President; Mrs. Diane Kende, Recording Secretary; Mrs. Viola Petrick, Corresponding Secretary; Mrs. Frances Cummings, Parliamentarian.

Ladies interested in joining the Women's Reserve may obtain applications at the Scout Service Center.

OWASIPPE SCOUT RESERVATION READY TO WELCOME RECORD NUMBER OF CAMPERS

By Don Rylander, Director of Owasppe Scout Reservation

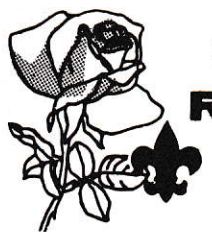

According to the advance camp reservations, the 1964 camping season at Owasppe's 5 section camps will be the greatest experience in recent years. With the exception of Camp West, there are only a few sites available. Units still have a good selection of sites at Camp West during periods 3, 4, 5, and 6.

Don Rylander

Troops who have made reservations at Camp Stuart and Blackhawk will be pleased to note that some 220 new tents have been purchased to replace the old, worn-out canvas in those two camps. This year all of the section camps will have much new equipment. The camps will have two boy tents, good platforms and new canvas cots. A great deal of new program equipment will also be available. Perhaps most important will be the new canoes for use on White River. With the opening of our new family camp facilities for unit leaders' families the Owasppe Scout Reservation certainly has more to offer not only to boys, but to the unit leaders, than any other camp in America.

The 1964 camp staff of 125 adults and young men is one of the most experienced, best-trained staffs in America. Because of their experience in Scouting, camping, and especially in programming, every unit leader who attends camp this summer will be assured of all the necessary program assistance that is needed to operate a high-adventure program for boys.

1000 TO ATTEND JUNE 6 SHOWANDO AT VALLEY VIEW

1964 Finance Campaign Chairman **John D. deButts** (right) recently presented **William Harrison Fetridge** (left) with a statuette recognizing the Lincoln Park District as being the first district to exceed its Finance Campaign goal. Mr. Fetridge, chairman of the Lincoln Park campaign, accepted the statuette on behalf of all the workers. Calumet, South Central and Fort Dearborn Districts have also exceeded their goal.

The unit leaders' planning conference shown above at Camp Fort Dearborn is a scene which is portrayed weekly at the Chicago Area Council's Near-in Camps. Campmaster **Jim Gubbins**, Explorer Advisor of Post 2904, is shown here discussing the program possibilities with unit leaders at Camp Fort Dearborn while **Vincent G. Bradley, Jr.**, Director of Public Relations and adviser for the weekend campmaster program, looks on. Each week at the Near-in camps a corps of experienced Scouters and Scouts, together with a member of the Scout executive staff, assists unit leaders in planning their weekend program.

THE UNIFORM STARTS WITH THE LEADER

YOU ARE
SCOUTING'S
KEY MAN

Your personal appearance and that of all your boys reflect the quality of your leadership.

Scouts respect your leadership. Be correctly uniformed, and they will follow your example.

Your appearance in uniform speaks louder than what you say, builds better leadership.

The investment in your uniform pays dividends to you, your troop, the Scout movement.

**PUT THE OFFICIAL UNIFORM
TO WORK FOR YOUR UNIT!**

So often we hear about how much Scouting has changed. This photo, taken at Camp West in 1922, shows a patrol of Scouts gathering material for their Nature merit badge. Scouts who go to the Owasippe Scout Reservation this summer will be working on the same requirements. Many of the requirements and certainly the principles of Scouting are the same today as they were in 1922; only the uniform has really changed. Troop camp sites are still available on a limited basis at the Owasippe Scout Reservation. Perhaps your unit will camp in the same location this summer as did these boys 42 years ago. To find out which camp sites are available this summer call the Scout Service Center at 782-3990.

ALONG THE SCOUTING TRAIL

By Alden G. Barber

Does Scouting's message get through? It does, more times than we know, as this little story illustrates.

Scout Harold, senior patrol leader, was to tell about Scouting to business leaders gathered at a fund raising dinner. Harold did his job well, concluding with a simple, but impressive commitment to the Scout Oath.

After the meeting, where most men pledged \$100 and more to the Scout campaign, one of them asked Harold if he was planning to attend the National Jamboree at Valley Forge. "No" said Harold, "I don't have enough money saved." After inquiry of the boy's Scoutmaster established that he was qualified, the man offered to finance the \$200 Jamboree experience. Sober reflection quickly replaced Harold's initial joy.

He approached his benefactor timidly with this question:

"Sir, I appreciate your generous offer, but I can't accept. I just wouldn't feel right about going to the Jamboree when there are boys in our troop who can't go to camp. Could we use the money for them?"

Three things happened as a result. Harold is going to the Jamboree, additional help is being provided the troop for camp, and Clarence Phillips is one proud Scoutmaster.

ATTENTION HIKING TROOPS!!

The Chicago & Northwestern Railroad has made a request that the passenger station at DesPlaines not be used as a gathering place for units hiking in that area. The nearby Northwestern Park has been suggested as a gathering area.

BRIEFLY IN THE NEWS

Alcoa will present a special demonstration for Den Mothers and Scout leaders on Tuesday, May 12, 10:00 a.m. at the Peoples Gas Company auditorium, 122 South Michigan Avenue. The demonstrations will deal with cooking, decorating and handicraft uses of aluminum foil.

Assembly points for May parades which have been approved for Scout participation have been set, according to Mr. Carl Hallen. The May 9 "Keep Chicago Clean" parade assembly point will be Illinois and Clark Sts. at 9:15 a.m. and, for the Memorial Day parade, units participating should assemble May 30, LaSalle and Wacker Sts. at 2:30 p.m. Mr. Hallen is the Council's official representative at all parades and will be in charge of all Scout units. For more information phone SP 7-6279.

The Jamboree tour guide applications are currently being taken by Public Relations Service of the Chicago Area Council. Explorer units interested in serving as guides to Scout units passing through Chicago during the month of July on their way to the Jamboree should make applications no later than May 31.

The annual meeting of the Council's Explorer Cabinet will be held on Thursday, June 4, at 7:30 p.m. in the City Council Chambers. District Cabinet officers and advisers should plan to attend.

Unit fund-raising policies need to be clarified occasionally according to the Council Finance Committee. The customer must get value received for the product. For this reason boys must not wear uniforms or announce themselves as Scouts when they are selling. The only exception to this is when Scouts are selling tickets to a Council activity such as the Fun Fair.

Unit leaders, assistants and Den Mothers as of November, 1964, according to a bulletin from the National Council, can be registered only in the capacity of unit leaders. As your unit reregisters, you should be aware of the fact that the National Council will consider as defective charters which carry the unit leaders registered in a dual capacity. For additional information concerning this matter, contact the Registration Service, Chicago Area Council, 782-3990.
